Cancellations

We understand that there are times when you cannot attend an appointment due to emergencies or obligations for work or family.

If you are unable to attend your appointment, **we require notice before 9am on the day** of your appointment (leave a message if necessary). This allows us to offer your appointment to other clients on our waiting list.

If you do not advise of cancellation, you may be charged a fee of 50% of the appointment cost.

If you are late for your appointment, you will be charged for a full consultation fee but will only receive the remainder of the consultation time.
